RE: The Chemical Recovery Systems Site, Elyria, Ohio

Dear Ms. Sheppard-Johnson:

This is to advise you that Gordon Terminal will continue to participate in future negotiations at this site. If a steering committee was formed at the June 27, 2001 meeting, please advise us of the names and addresses of the representatives so that we may contact them. In the alternative, as a dominimis PRP, we would like to discuss settlement and consent to a dismissal from the EPA.

Very truly yours,

  
C. S. FOSSEE
